TRAINING

IMPORTANT

All community transport providers who provide a service as part of the NSW Government's Point to Point Transport Reforms have a primary 'duty of care' to ensure the safety of their services. Our Transport Package courses meet the required standards and were developed in close consultation with the community transport sector.

CHOOSE ONE OR ANY COMBINATION OF OPTIONS

1

eLEARNING COURSE OPTION 100% - 24/7 ONLINE CONVENIENCE

☎: 1300 697 545

Our online eLearning courses are convenient, easy to use and very cost effective. Individuals can progress through each course at a pace, location and time best suited to their busy personal and work schedule. Each course includes instructional videos, lessons, quizzes and user-friendly interactive features.

Each step completed (*and the results achieved*) is recorded and easily viewed as part of our inbuilt Learner Management System (LMS). Choose one or even 1000's of team members to participate.

- ✓ Certificate on Completion
- ✓ Includes Quizzes & Lessons
- ✓ Includes Instruction Videos

2

FACE-TO-FACE TRAINING PLUS eLEARNING COURSE OPTION CONVENIENT AND PRACTICAL

☎: 1300 697 545

This option includes everything in Option 1 - **PLUS** the benefit of a **practical face-to-face** group training session. A transport vehicle with the necessary equipment is used to demonstrate all of the important practical requirements. Participants are then coached and observed when completing the required tasks themselves.

- ✓ Certificate on Completion
- ✓ Includes Quizzes & Lessons
- ✓ Includes Instruction Videos

3

FACE-TO-FACE PLUS WORKBOOKS WE COME TO YOU - PRACTICAL TRAINING

☎: 1300 697 545

No online access required. Participants receive a workbook instead. We also conduct a **practical face-to-face** group training session. A suitable transport vehicle is also used to demonstrate all of the important practical requirements. Participants are then coached and observed when completing the required tasks themselves.

- ✓ Certificate on Completion
- ✓ Includes Quizzes & Lessons
- ✓ Includes Instruction Videos

4

DIY - TRAINER KIT PLUS WORKBOOKS ALL RESOURCES + TRAIN-THE-TRAINER.

☎: 1300 697 545
Plus 'train-the-trainer' option!

This is the perfect solution for organisations that want to conduct their own training. This DIY Trainer Kit includes everything you need - plus a Trainer Guide with instructional videos, lessons, answers to quizzes and tips. You also have the option to arrange a special 'train-the-trainer' session. We can coach **you** to teach **your** team!

- ✓ Certificate on Completion
- ✓ Includes Quizzes & Lessons
- ✓ Includes Instruction Videos
